8. Revision Policy
Unlimited revisions are included under the subscription. However, if a revision request requires the artwork to be recreated entirely from scratch, it will be considered a new job rather than a revision.

9. Payment & Activation
This subscription follows a prepaid billing model. The subscription activates once payment is made, and the allocated job count for the cycle becomes available from the start date.

10. Service Availability
Inkcredible Studios operates on a 24/5 schedule. Delivery times may vary for complex artwork requests, and clients will be informed if additional time is required.
